Governor Mitch Daniels:

We have made customer service a priority and I was so pleased to learn that of the 2800 teachers who met individually with TRF staff to discuss their retirement benefits, 99.3 percent rated their experience as "very good" or "excellent". In 2008, we will continue to look for ways to be even better.

Expanded Online Services Available

The Teachers' Retirement Fund (TRF) has made it even easier for you to maintain your retirement account. Visit www.in.gov/trf and choose Online Services (see right). If you have previously registered, enter your username and PIN. If not, register with your email address as your username (see below) and a PIN will be sent to that email address.

You can then log in and change the PIN as well as update your address and contact information. Online Services also allows you to make changes to your investment

options, view quarterly statements, and designate beneficiaries. Check TRF's online calendar to see if there is a Retirement Benefits Seminar coming to your area!

Did you know?

- The Teachers' Retirement Fund manages over \$9 billion in assets
- There are over 73,000 active members in TRF
- TRF currently administers retirement benefits to 40,000 retirees

Are you ready for retirement?

- If you would like to retire in two years or less, please schedule **an appointment with a benefits administrator** at TRF. You can set up your appointment online at www.in.gov/trf or by calling (888) 286-3544 or (317) 234-2837.
- **Complete Part One of the Retirement Application** available on the TRF website, www.in.gov/trf. **Submit Part Two of the Retirement Application to your employer as soon as possible.** This will help expedite the distribution of your benefits.
- **Visit the TRF website to use the Benefits Calculator** to estimate what your retirement benefit may be.
